Guests must comply with rules of conduct such as to comply with principles of decorum and respect for other guests, the neighborhood as well as any other third party possibly involved in any capacity. Guests are required to notify the property of any discussions or complaints between guests themselves or from neighbors or other third parties as soon as possible.

2. USE OF THE PROPERTY IN GENERAL

You are responsible for the property and are expected to take all reasonable care of its furniture, pictures, fittings and effects, in or on the property. You must leave them in the same state of repair, and in the same clean and tidy condition at the end of the rental period as at the beginning.

Any commercial use (for example for advertising or commercial purposes) of images of the villa or its facilities, appliances, accessories and furnishings, must be authorized in advance and will be subject to different conditions, including economic ones, with respect to the tourist rental.

3. USE OF COMMON PARTS

Las Pergolas has numerous areas made available to the common use by guests. It is not possible to book, reserve or occupy the common areas in any way, as they are left to everyone's availability based on the order of arrival.

Once used, the common areas must be left clean and tidy for better usability by others. In particular, in the kitchen, pots and dishes must always be washed after their use.
